
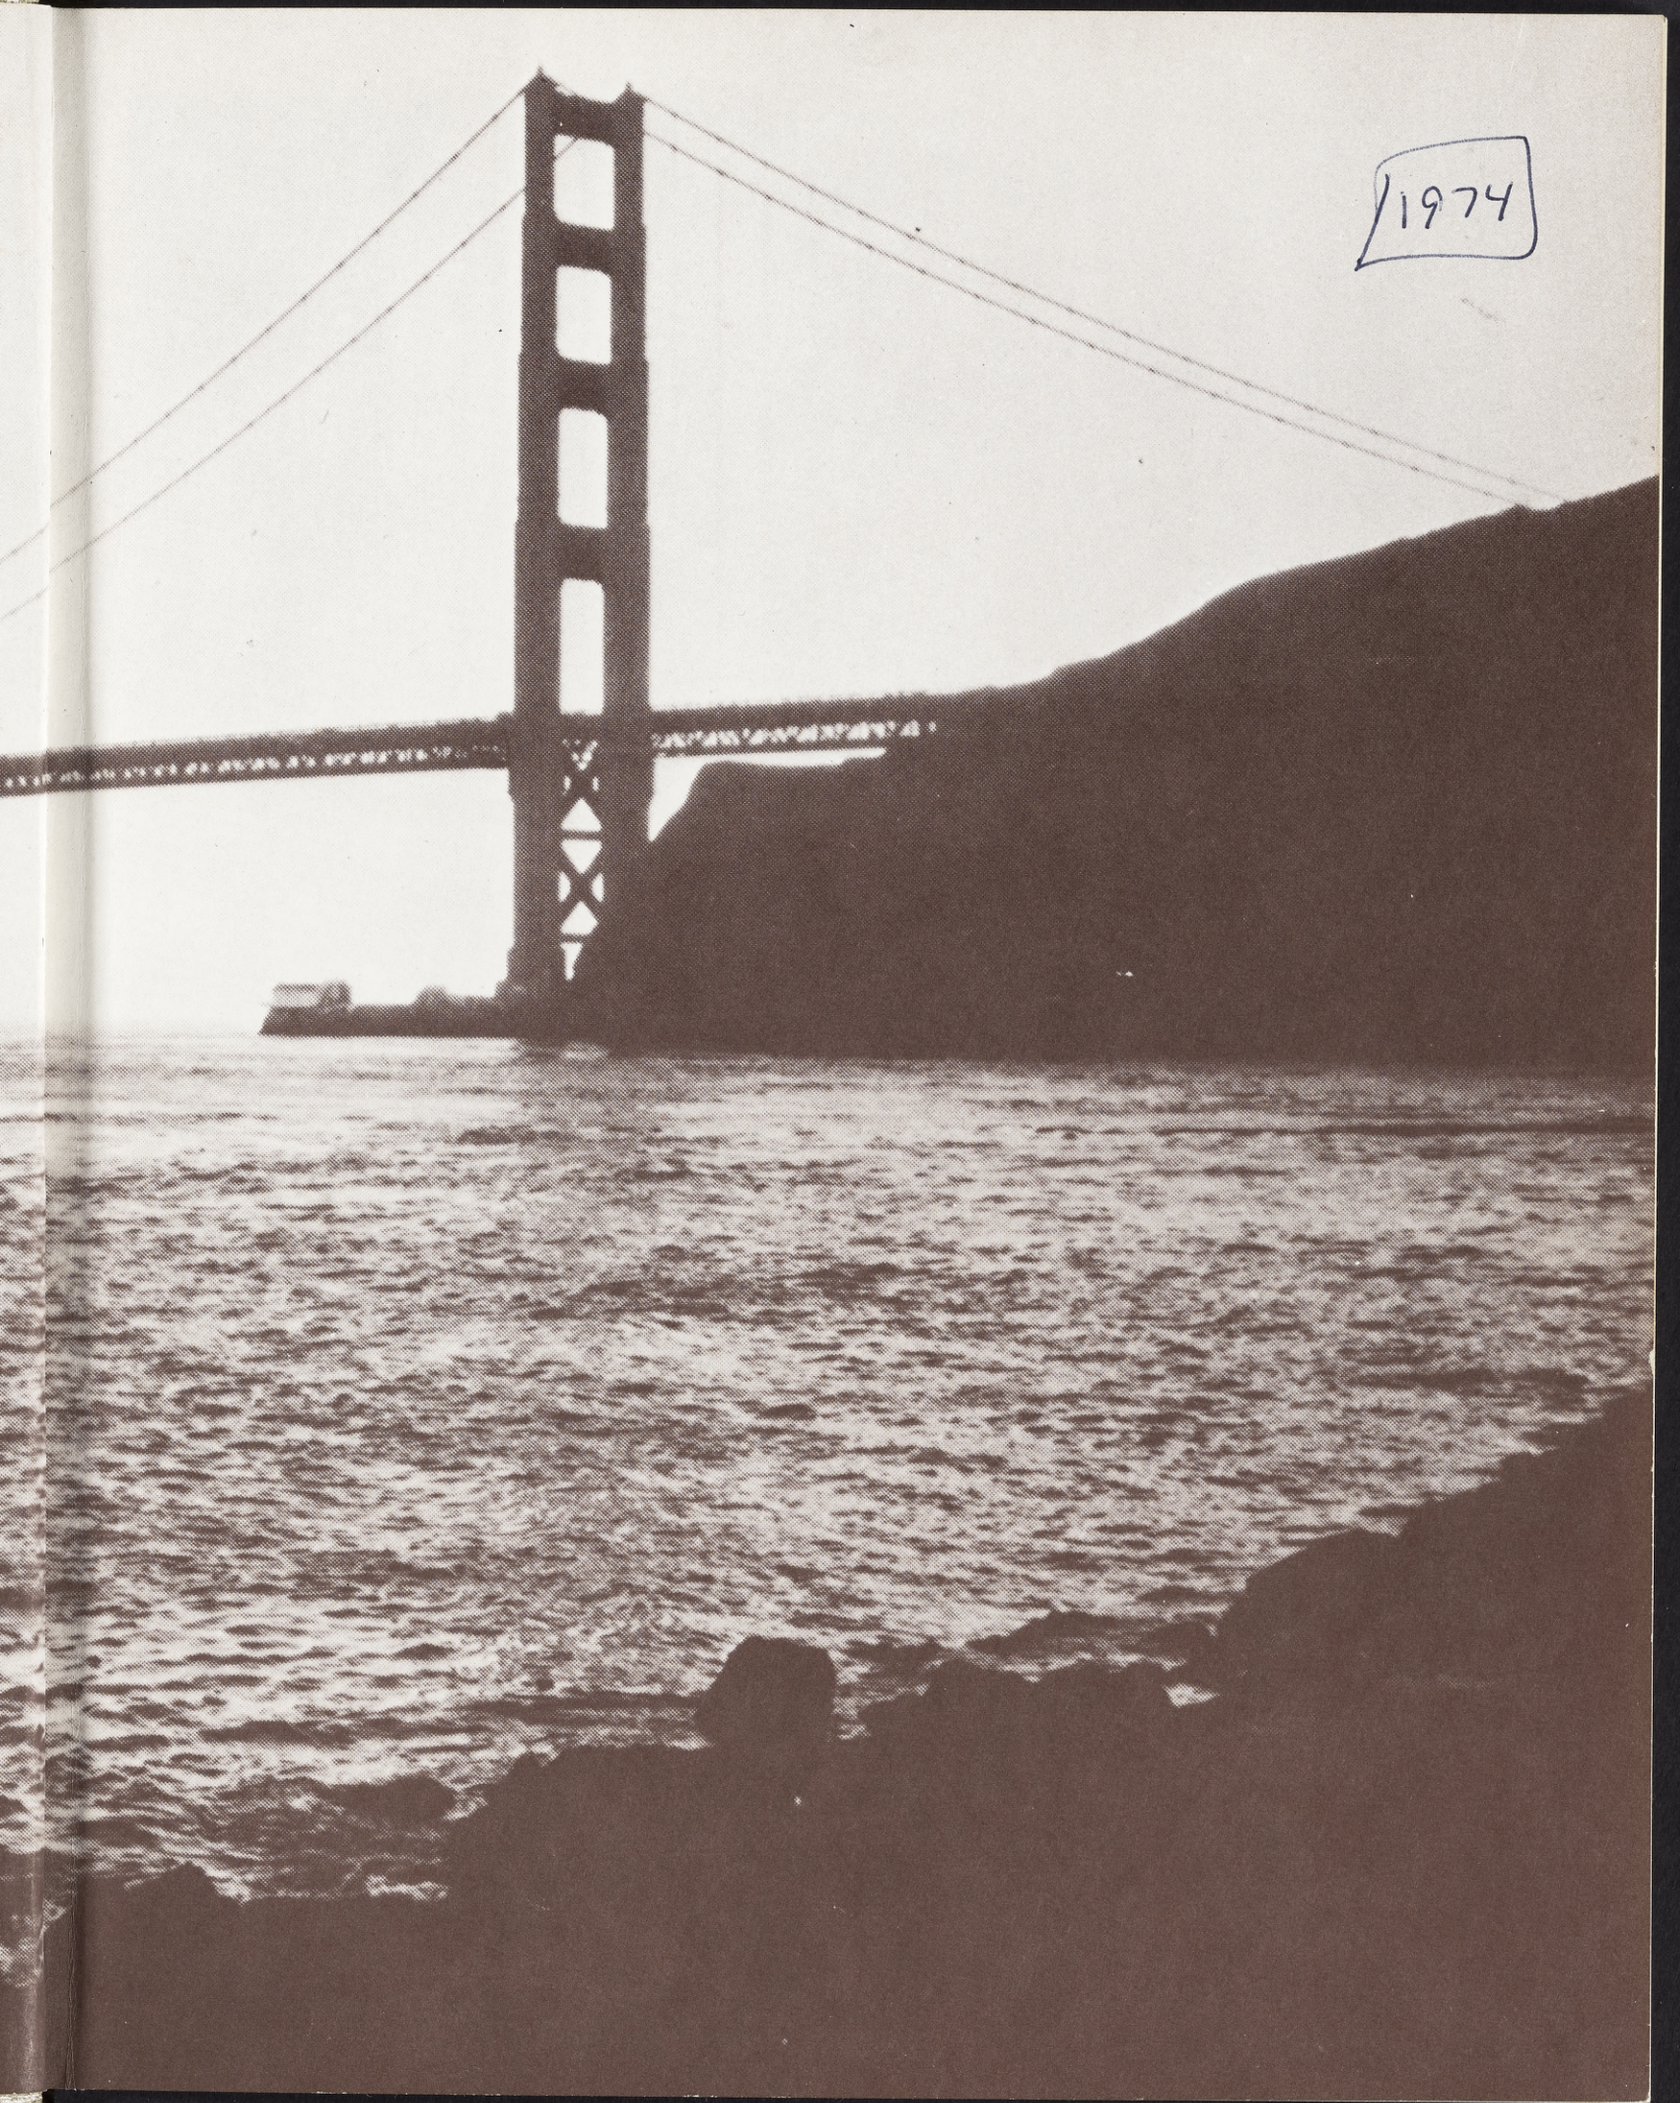
The Becoming Self
Reaches Out
and Creates.

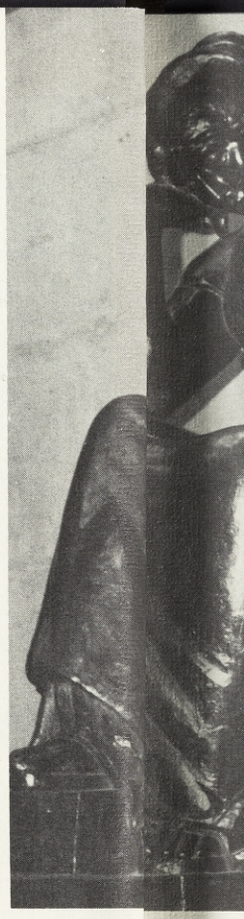


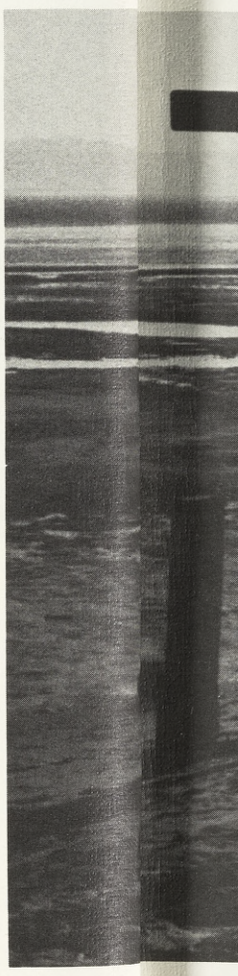
1974

St. Josephs and Notre Dame High Schools

Alameda, California

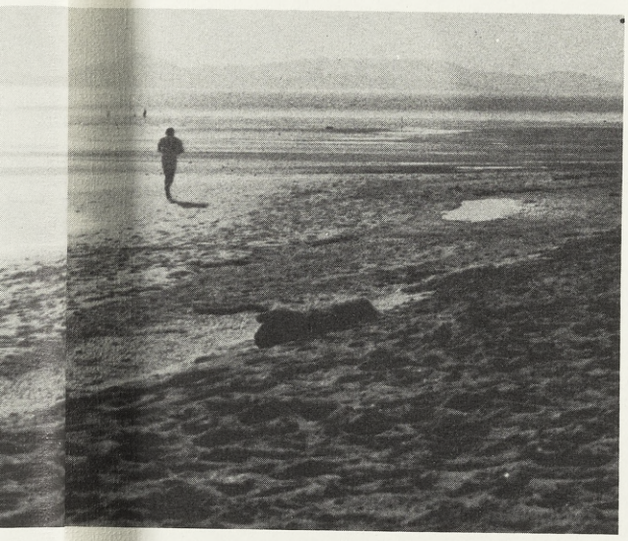
1973—74



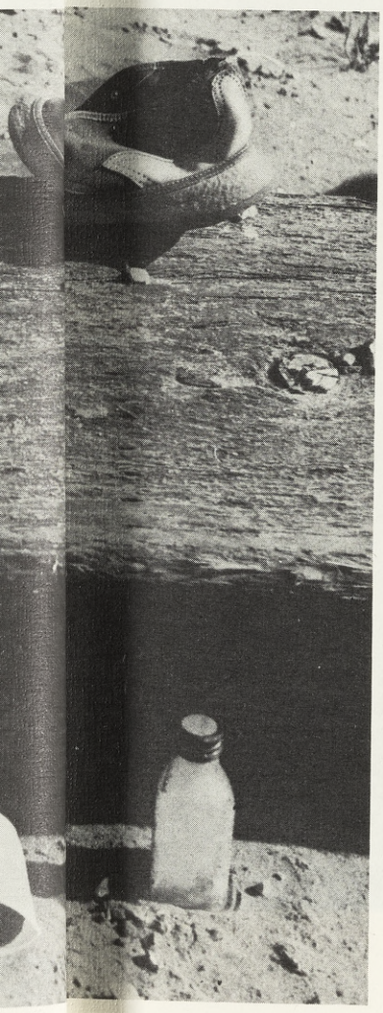


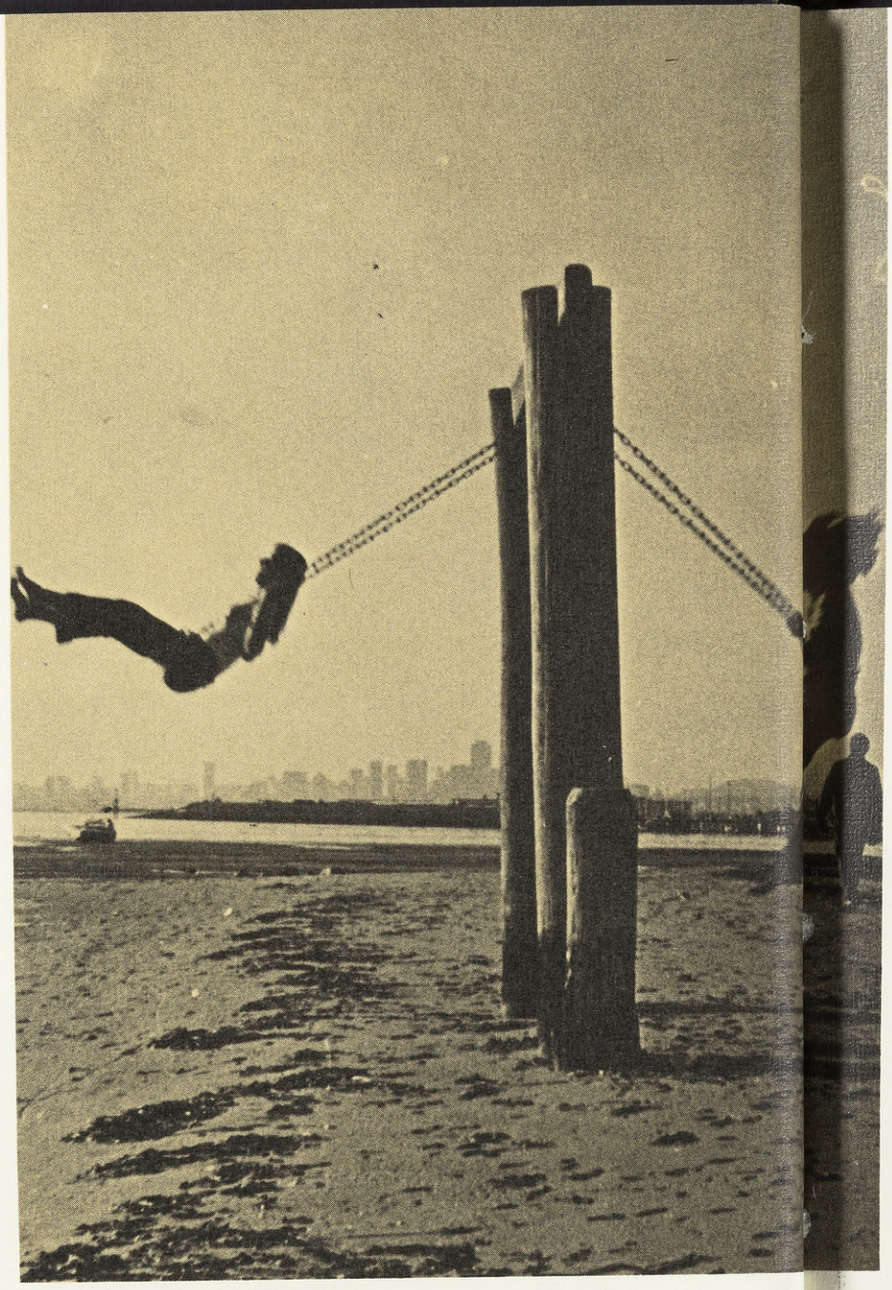
Through discoveries, experiences, and ultimately understanding,
each of us slowly emerges and becomes
the unique individual that we are.

Dwelling within all life
is consciousness -
the splendor of the sea,
the fragrance of a rose,
the foliage of a plant.

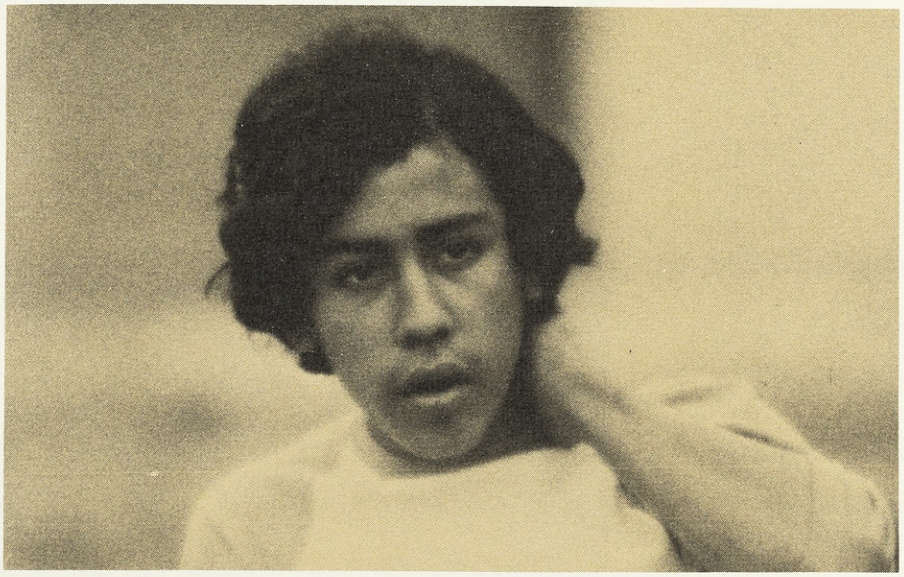


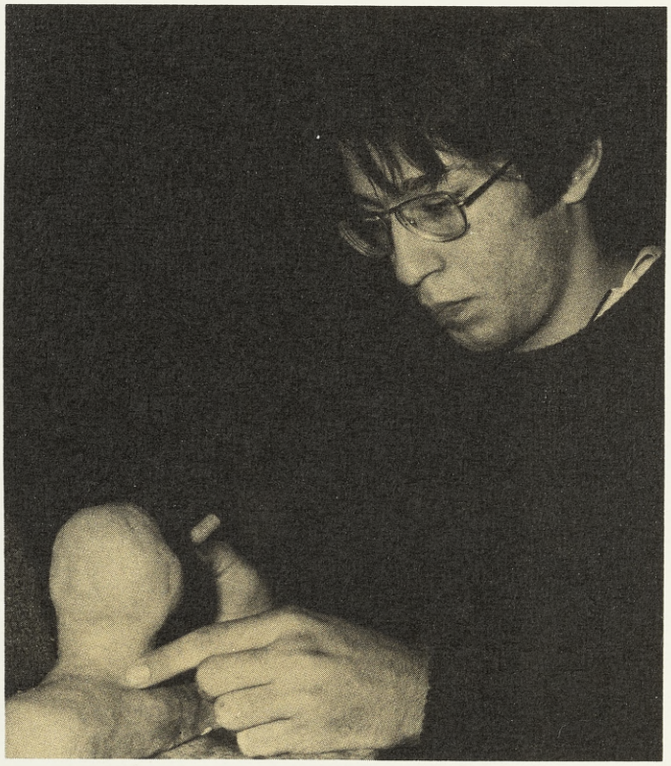
All life speaks to us
through consciousness.
Yet, many do not listen
and life's brief years will not wait.
Take a second look around,
above, and below,
and discover!

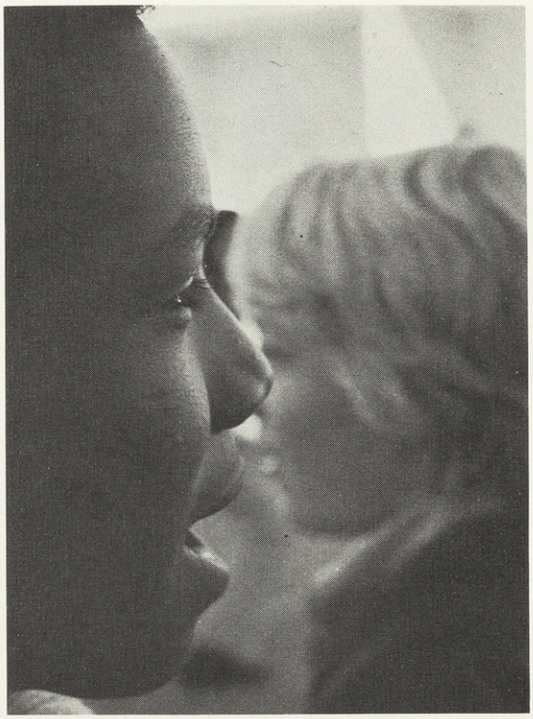




Dreams do not relieve
the distressed heart,
Restless wishes
do not find homes
in the stubborn mind.

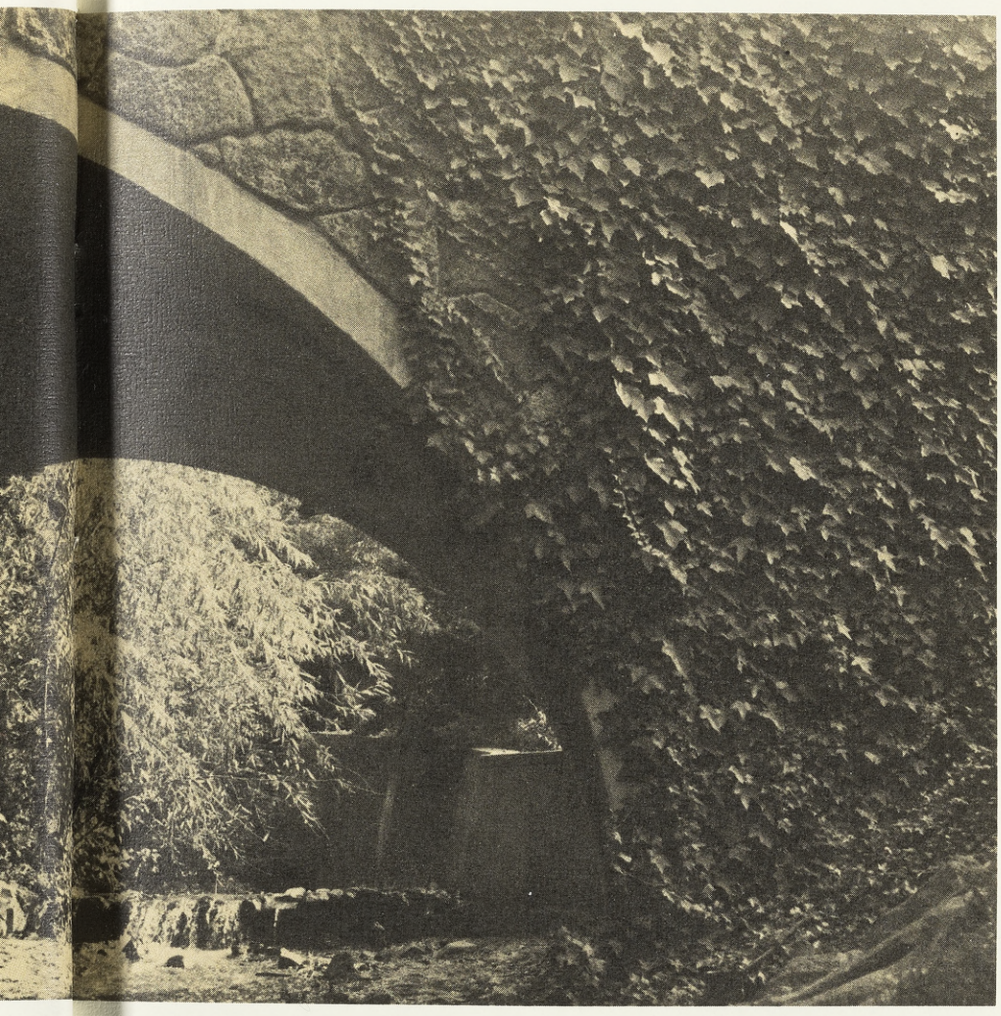


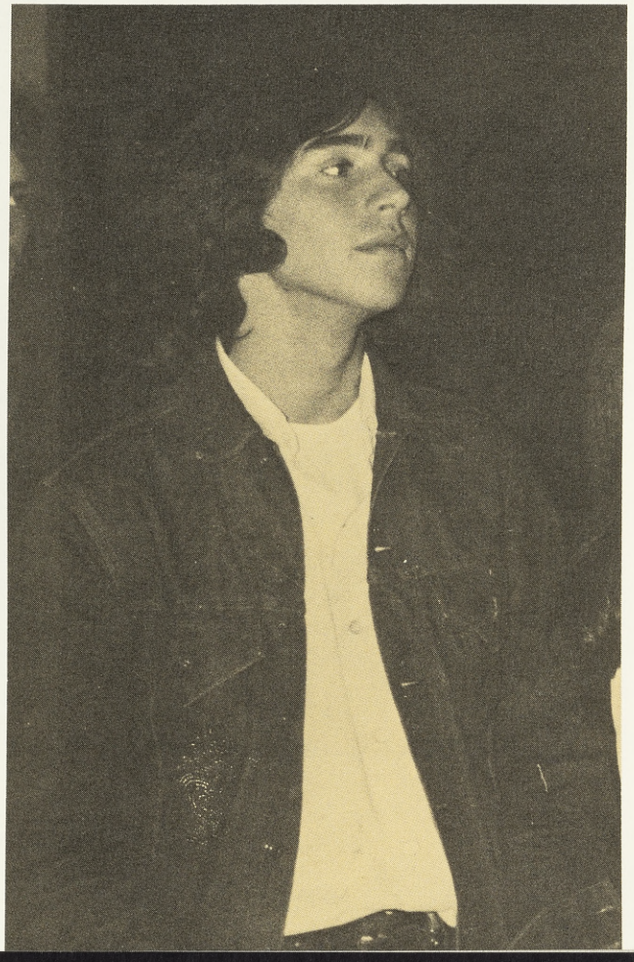




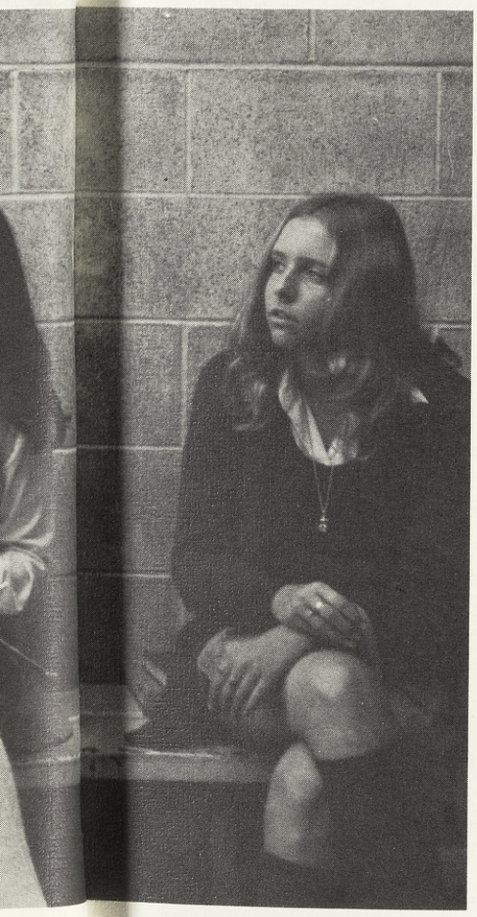
Open to the world
around you.
Dare to imagine
all you can do
and experience!

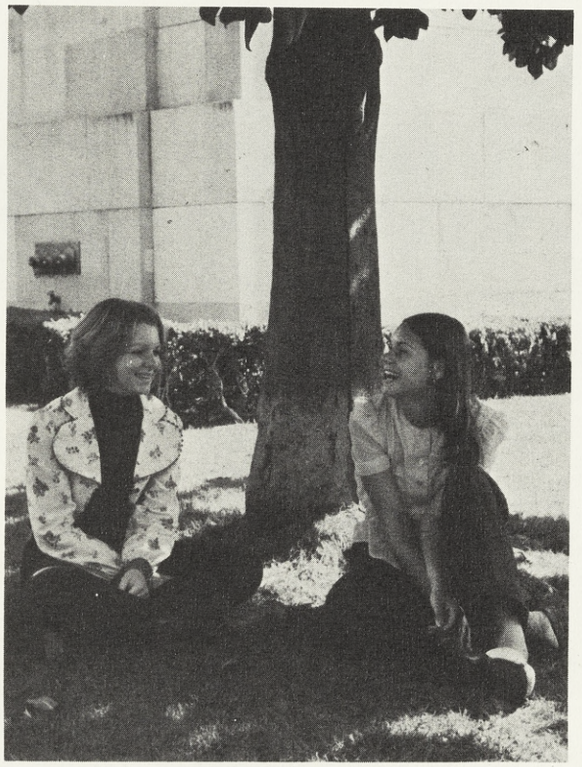
When you acknowledge being,
Divide us,
each from the other,
you from me,





Indeed -
You can look into
the shapes and colors of life
with your own eyes.
Seek, find, and feast
in your own understanding.





For long you live
and high you fly
And smiles you'll give
and tears you'll cry
And all you touch
and all you see
Is all your life
will ever be.

-Pink Floyd

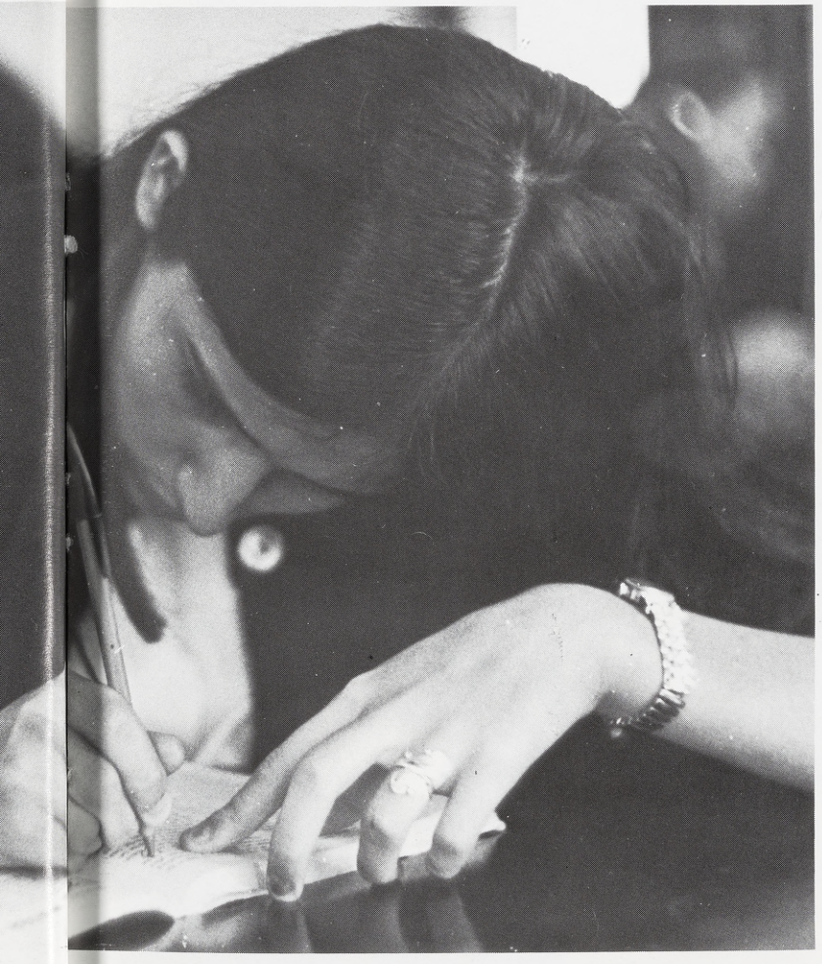
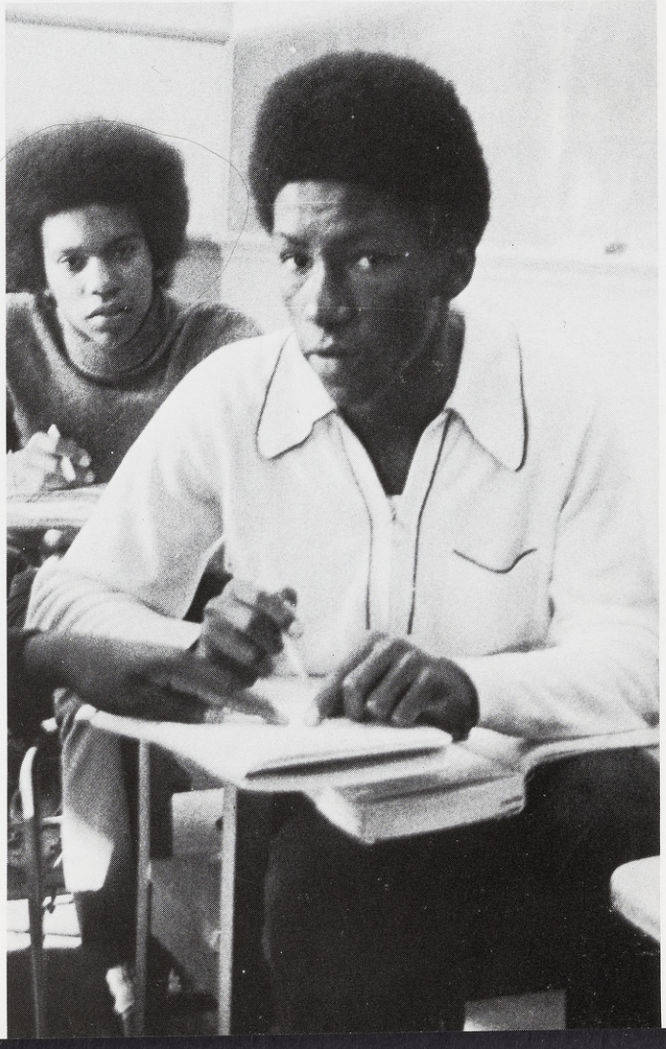
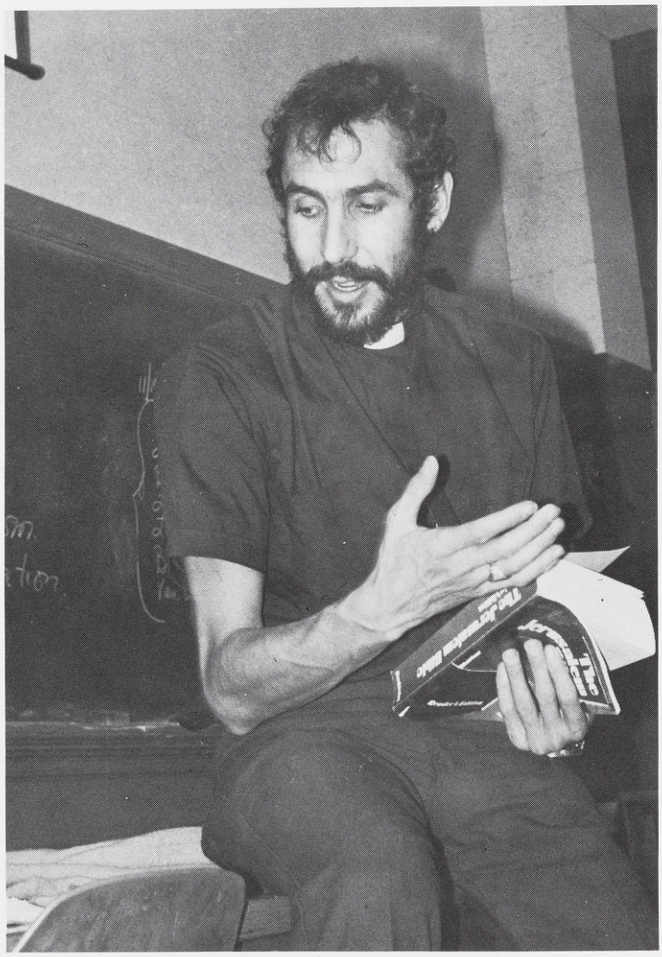
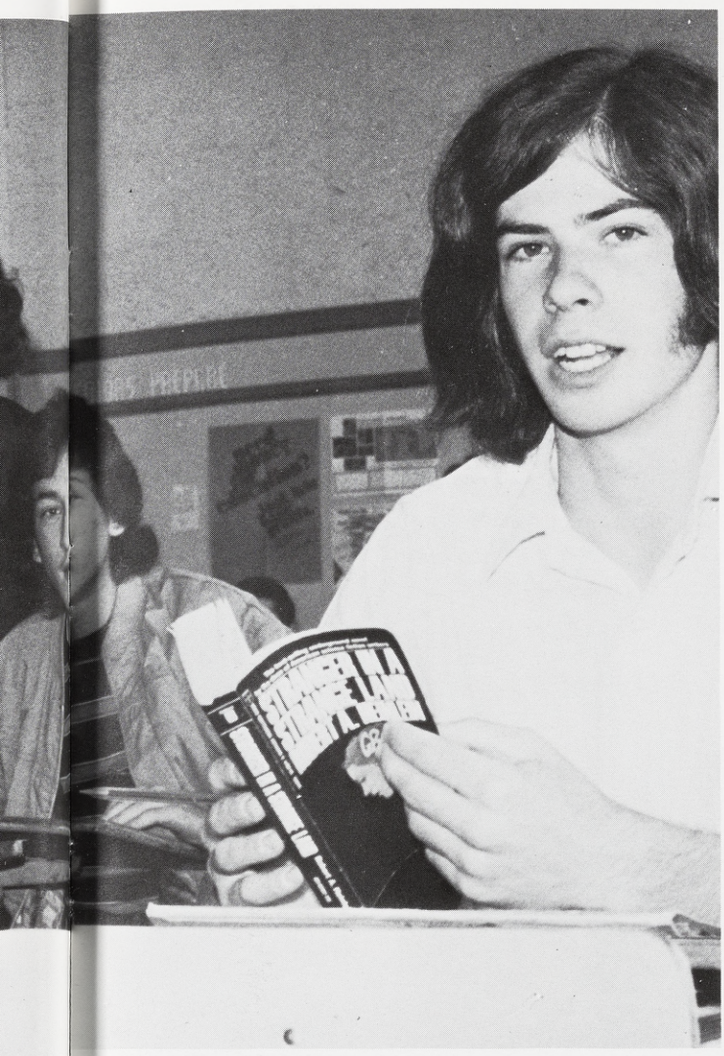
Administrations Coordinate Academic Programs

Mr. Aiello and Sister Dorothy enabled the sharing of faculties, building facilities and academic resources by laboring arduously to coordinate student schedules. Both principals were quite successful in augmenting their scholastic programs by combining math, science and language subject areas. Many of their tasks were alleviated by Mr. Gravem and Miss Brady whose responsibility it was to supervise student behavior. The Guidance Department, directed by Mr. Sickenger and Father Garcia, complemented both administrations by providing a counseling service sensitive to the student's academic and psychological needs.









Students Experience Spirituality

The Religion and English Departments attempted to create programs that stimulate the student's spiritual and academic interests. The Religion Department offered courses in: Bible study, Christian behavior, meditation and preparation for marriage. While the English Department provided classes in: classical, contemporary and science fiction literature, poetry, film, critical and expository writing and speech.

Discovering Countries, Cultures and Languages

The Social Science and Language Departments encourage the students to experience and appreciate their own and other country's language, history, society and culture. The Social Science Department composed world history, social problems, political science, psychology, sociology and California geography courses. Many times these courses supplemented the Language Department's Literature and language offerings in Latin, French and Spanish.

Understanding Through Investigation and Experimentation

The Mathematics and Science Departments explore and comprehend life by examining formulas, weights and measures, test tubes, chemicals and skeletal diagrams. The Science Department investigates the human body and other life forms through introduction and advanced biology courses. Their studies are completed by experimenting with motions, measures and weights in physics and by understanding chemical relationships in Chemistry.

Creativity in Art, Fashion and Business

These Departments attempt to provide courses appealing to the student's creative and practical interests. The Art Department offers classes in: sculpture, painting and needle work. While the Home Economics Department encourages its students to develop expertise in fashion, sewing and design. Finally the Business Department is quite effective in preparing the student for the practical world by providing courses in: typing, business education and shorthand.

Parish Community Supports Schools

Since St. Joseph's Parish is the parent of the high schools and its sole subsidizer, a fundamental first and foremost expectation is the loyalty, cooperation and participation of students, faculty and parents of St. Joseph's Parish with its spiritual and financial program. St. Joseph's Parish assumes this responsibility as a special form of apostolate and has done so for many decades. Since no one wants another to take on his or her obligations, the idea of supporting and helping the schools is quite in order. Since Catholic life and activity is centered on and depends on the Parish program, a parochial high school has for its very "raison d'etre," the fulfillment of this formula.

Alumni and Parents Support High Schools

The St. Joseph's School Board, composed of laymen representing the school community, was created to provide the machinery along with the parish to sustain and assist the high school in its role as a Catholic educator.

The St. Joseph and Notre Dame Parent's Associations meet once a month and offer programs relative to the interests of its members. One such program was held in September on the 'Role of Catholic Education'. The speaker was Father Waldren, director of Catholic Education for the Diocese of Oakland, he explained to the parents their role in the Catholic Education process by stressing the importance of their formative relationship toward their children. The parents should show good example, be honest and above all consistent in their relationships with their children and it will be the responsibility of the Catholic School to not only reinforce, but build upon these behaviors.

Student Council Strives To Create Community

Working together has been one of the main themes of this year's student councils. Both councils attempted to reorganize their structure in order to revitalize effectiveness. Notre Dame operated with class officers only led by Senior President Chris Klem, while St. Joseph's created a special council composed of Activity Chairman Paul Mendes, Secretary Chairman Joe Pawloski, and Treasury Chairman Robert LaDreach - each overseeing class officers. The major objective of St. Joseph's new program was to involve more students in the planning and decision making processes. It permitted the entire student body to vote on every issue rather than just the executive council. The power normally given to student body president was distributed among council members who, in turn, divided it among class officers.

Island Speech Champions— Again

St. Joseph High School speakers have performed quite well by the Lions Club Speakers Contests - by winning the Island Championship 6 years in a row. This year's winners Joseph King and Kathleen Mc Cauley

This winning trend is a strong indication of the quality found in this year's hard working speech club teams At this writing the standings are:

2 Debate teams in the State Qualifying contest

5 Notre Dame students in the Individual State Quals to be held in April

A great deal of appreciation goes to alumnus Mike Rossi for his unequaled assistance to the debate teams.

Congratulations to all of you and Good luck in April

The Mikado

SYNOPSIS

Ko-Ko, a cheap tailor, is installed in the office of Lord High Executioner of Titipu, the only remunerative city appointment not already assumed by Pooh-Bah, the Lord High Everything Else. As Ko-Ko is already condemned to death "for flirting" and the next to be decapitated, he "cannot cut off another's head until he's cut his own off." The townsfolk of Titipu, being adverse to head-chopping, are well satisfied with this arrangement. To Ko-Ko's dismay, a messenger arrives with an order from the Mikado requiring an execution in the town of Titipu within a month or the city will be reduced to the rank of a village. Nanki-Poo, a wandering minstrel, seeking the hand of Ko-Ko's ward and betrothed, Yum-Yum, agrees to save Titipu by being beheaded, provided he be permitted to immediately marry Yum-Yum. Pooh-Bah, for a large amount, signs the necessary affidavits in his multiplicity of official capacities, declaring falsely the decapitation of Nanki-Poo. All is well until the Mikado arrives searching for his son and heir, Nanki-Poo, who is disguised as a second trombone player in the Titipu town band.

Pooh-Bah and Ko-Ko's problem NOW is that they have "encompassed the death of the heir to the throne of Japan," and the Mikado doesn't like it a bit. By agreeing to marry the elderly and extremely plain Katisha, Ko-Ko manages to induce Nanki-Poo to marry Yum-Yum and "come back to life." Matters are thus settled to the satisfaction of all -- well, all except Ko-Ko.

Cross Country Climbs To Third

Destroying Moreau, St. Elizabeth, St. Patrick, and Salesian, the eager Pilots, although undermanned, finished a strong third and enjoyed a trip to Division I where they rubbed elbows with the top teams of the Bay Area. Senior John O'Donnell closed out his high school career winning 4 out of 6 varsity races and was named to the All-League team for the third consecutive year. Right behind was Wayne Samuels, 13th in the League, who ran strong all season, vying with Avalos for number two man. Joe O'Donnell was a good 4th man and will be a good prospect for next year. Striders Mark Gutierez, Tom Hilinski, Brian McMahon, and Kevin Tighe, after a good season, will be expected to lead the team next year.

Cross Country Team: Top- Coach Joe Taxigra, T. O'Guinn, T. Hilinski, J. O'Donnell, K. Tighe, M. Gutierrez, B. McMahon, Bottom- C. Avalos, J. Lane, Joe O'Donnell, K. Haughian, B. O'Donnell, P. Meuleners.

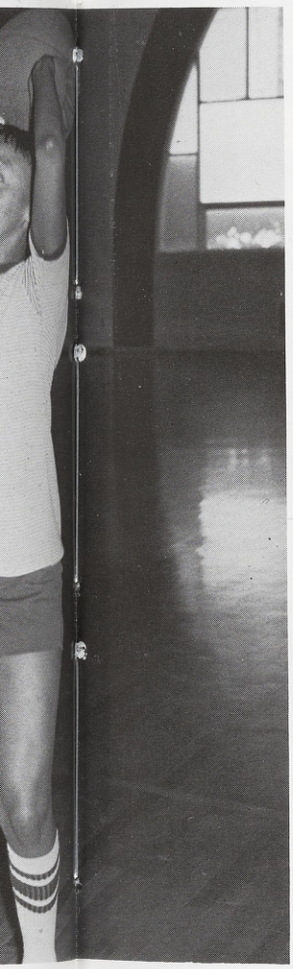
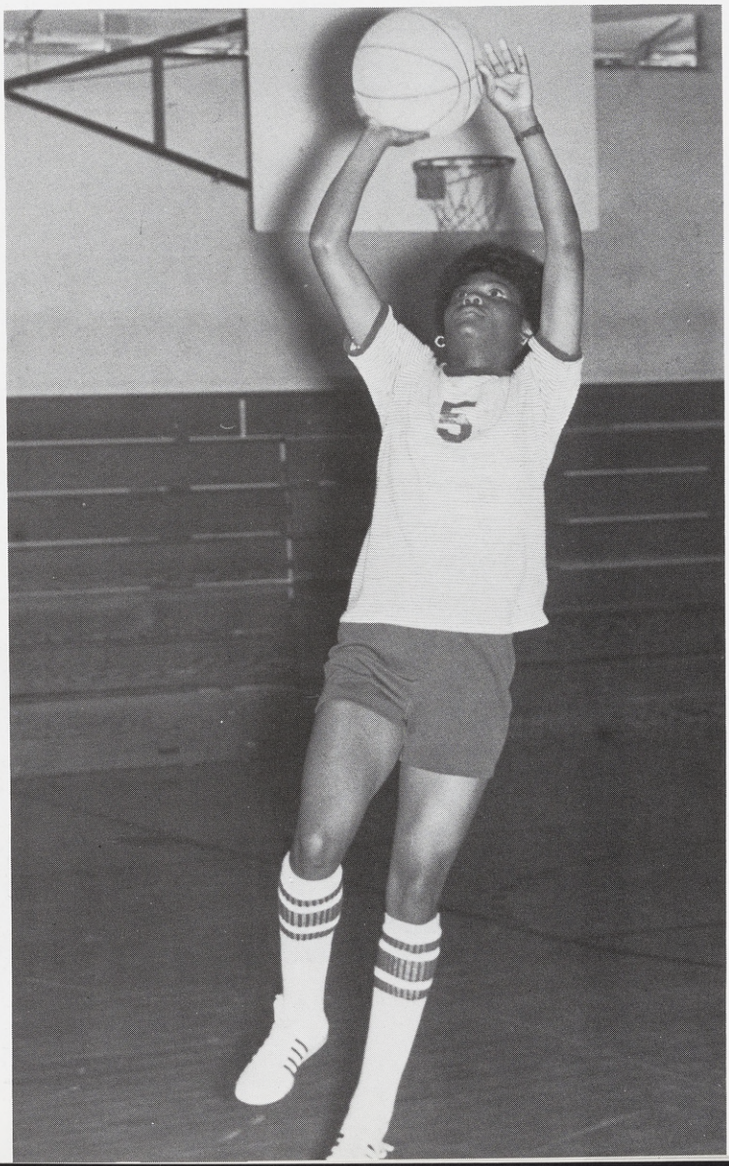
Girls' Basketball

After four years out of league competition, Notre Dame is again in the girls basketball league. This year has not proven profitable in the won-loss column, but as Mrs. Smith (coach) says "We are in the building for next year." Regina Moore, Team captain, Debbie Costello, Margie Ratto, Julie Trumm and Yolanda Rogers round out the starting five; but no team is strong unless the bench is strong too which it was with Cathy Androtti, Lynda Beaty, Toni Segura, Colleen Fedor, and Rita Gonzalez.

Girls Basketball Team: Back - Debbie Costello, Regina Moore, Rita Gonzalez, Yolanda Rogers, Julie Trumm, Front - Toni Segura, Lynda Beaty, Colleen Fedor, Margie Ratto and Cathy Androtti (Missing).

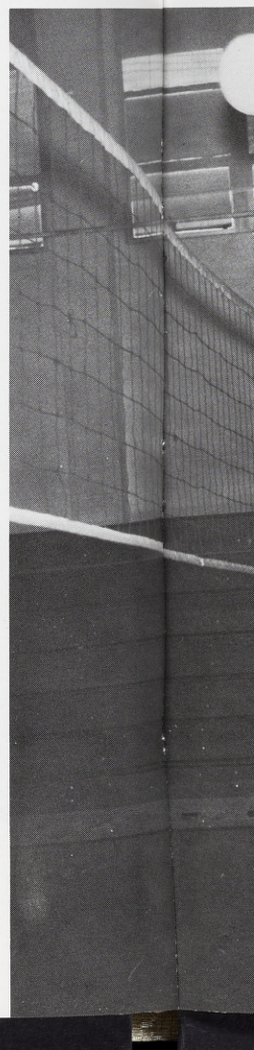


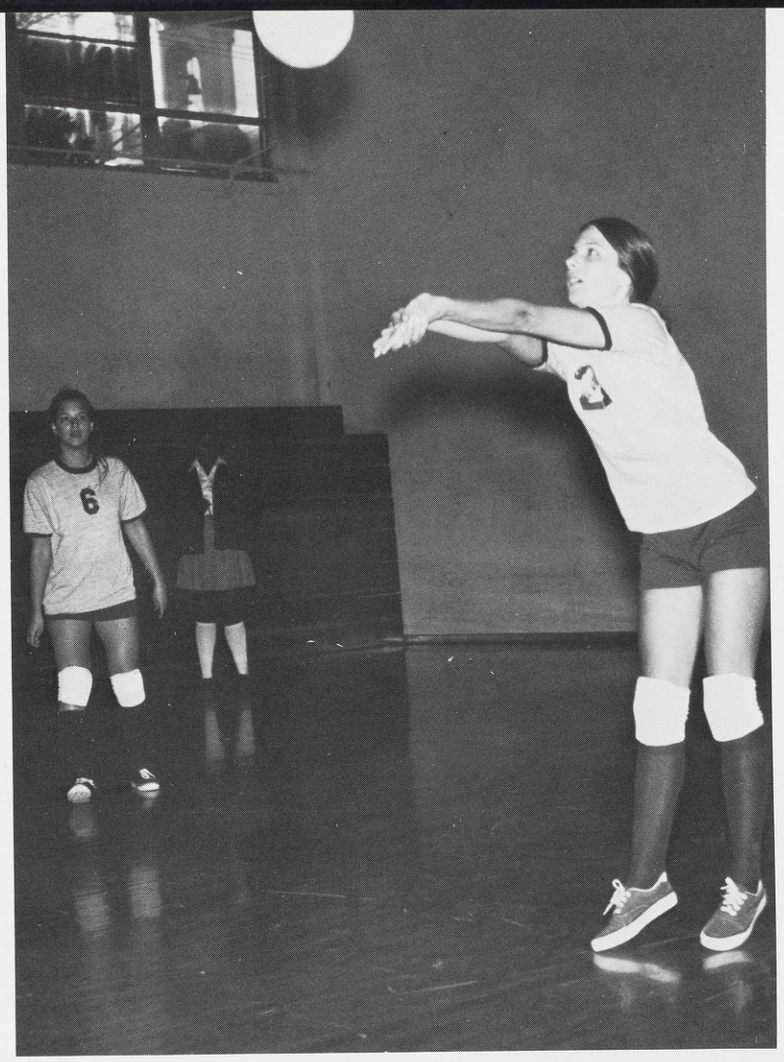


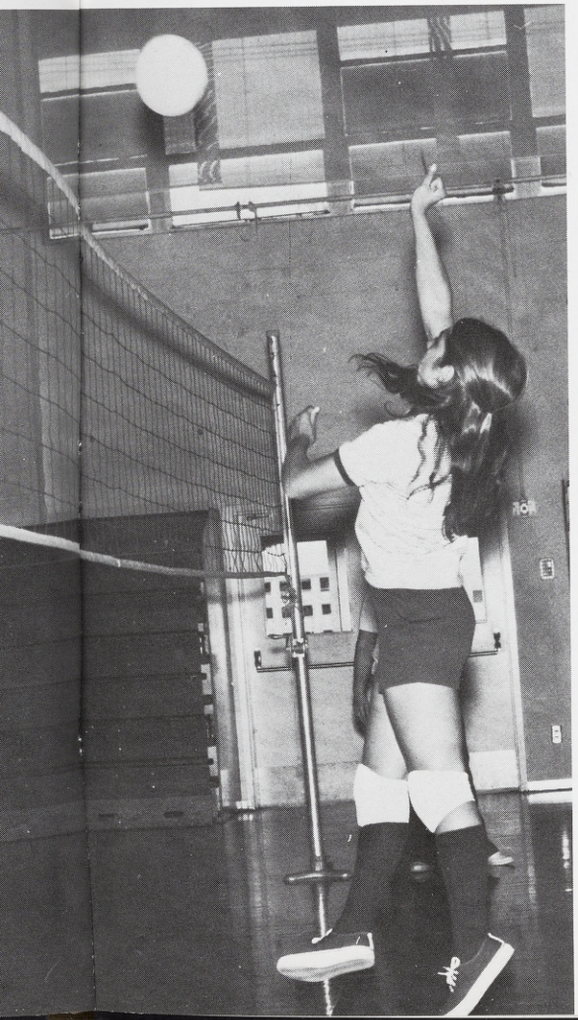
Varsity Captures Third Place

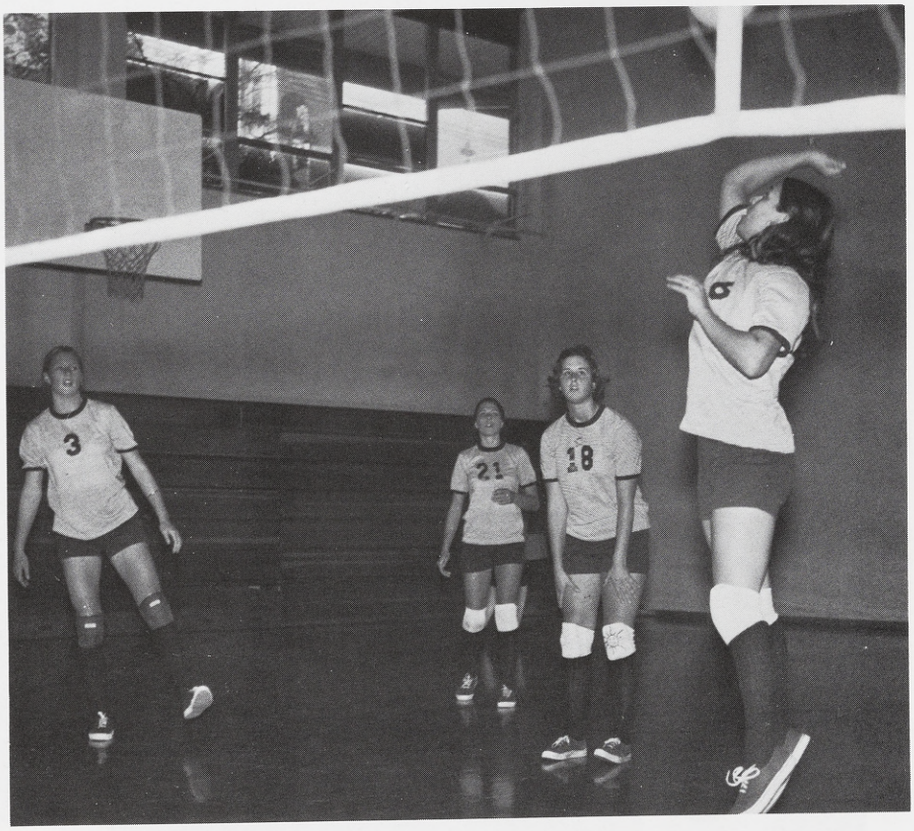
This year, under the coaching of Gail Sousa and Mrs. Francis Smith, the Notre Dame Varsity Volleyball team played exceptional volleyball. Placing third in league competition, the team went on to place fourth in the tournament in which 16 teams from the area participated.

Varsity Team: Debbie Costello (All-Tournament), Theresa Knights, Pam Duffy (Captain), Sue Ratto, Bernadette Amesbury, Regina Moore, Sharon La Croix, Dale Spragan.









J.V.'s Show Promise

This season the junior varsity team, though inexperienced, proved to be a well-balanced team. At the Junior Varsity Tournament, sponsored by Notre Dame, the J. V. team captured a second place trophy for N. D.

Junior Varsity Team: Charlene Schatz, Robin Maes, Darlene Tochinni, Rita Gonzales, Denise Ratto (Captain), Margi Ratto, Lynda Beaty (All-Tournament), Colleen Fedor.

Track

The '74 track team is planning to concentrate more on individual members rather than on the team as a whole. Tim Noe, Manulis Martin, and Wayne Samuels should be good prospects for North Coast qualifiers. Their drives will be strongly supported by Chris Avalos, Brian McMahon, Joe O'Donnell and John O'Donnell.

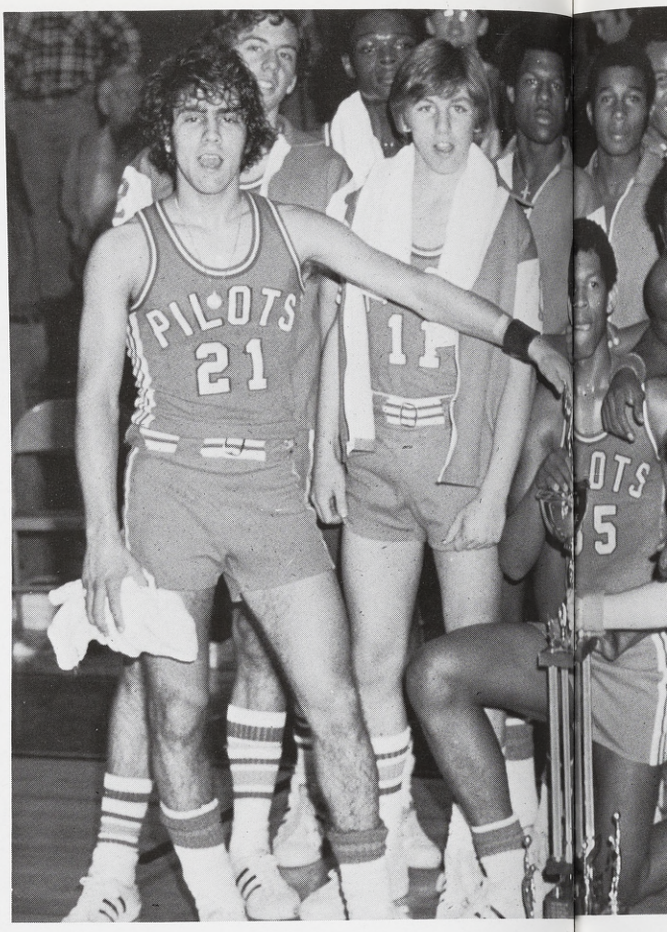
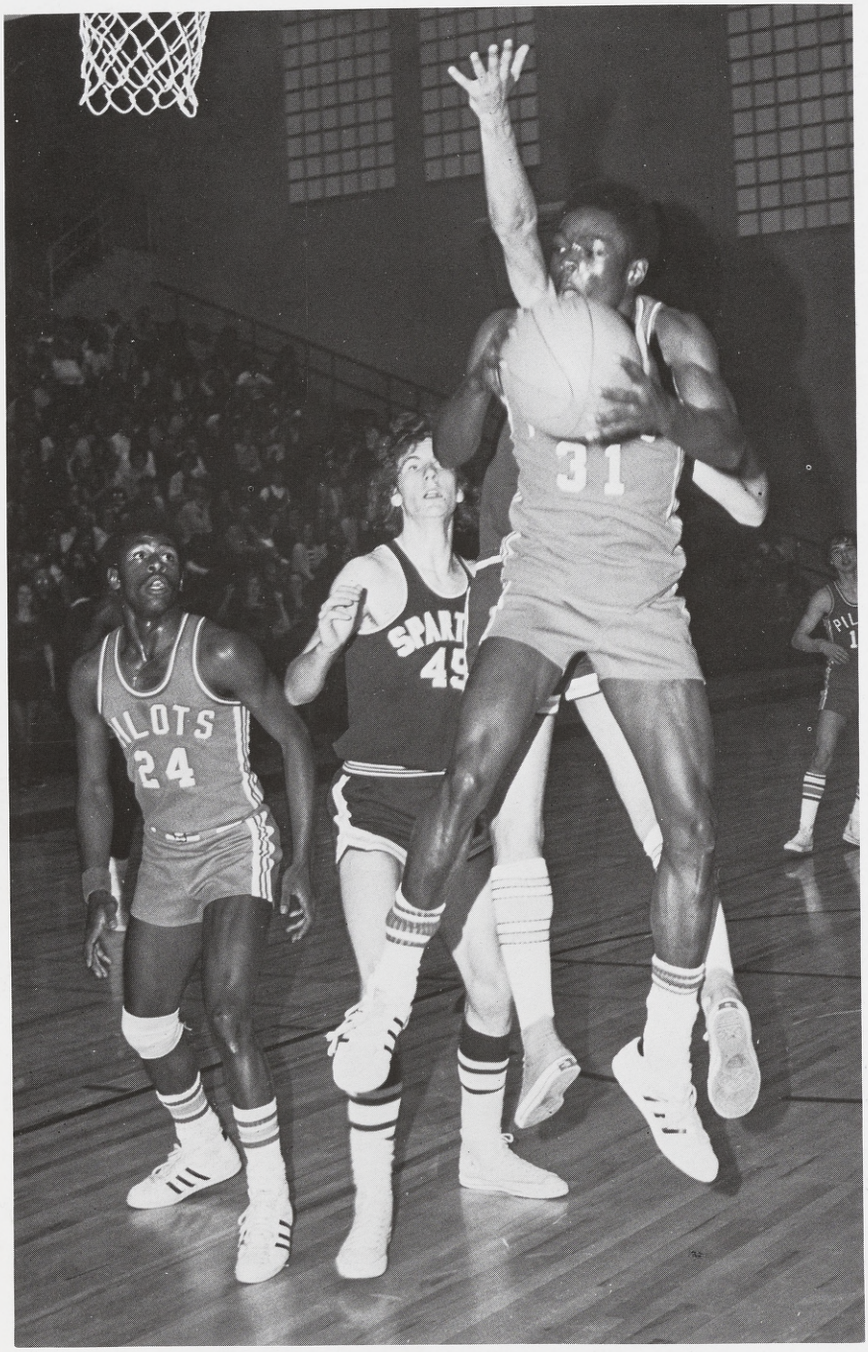
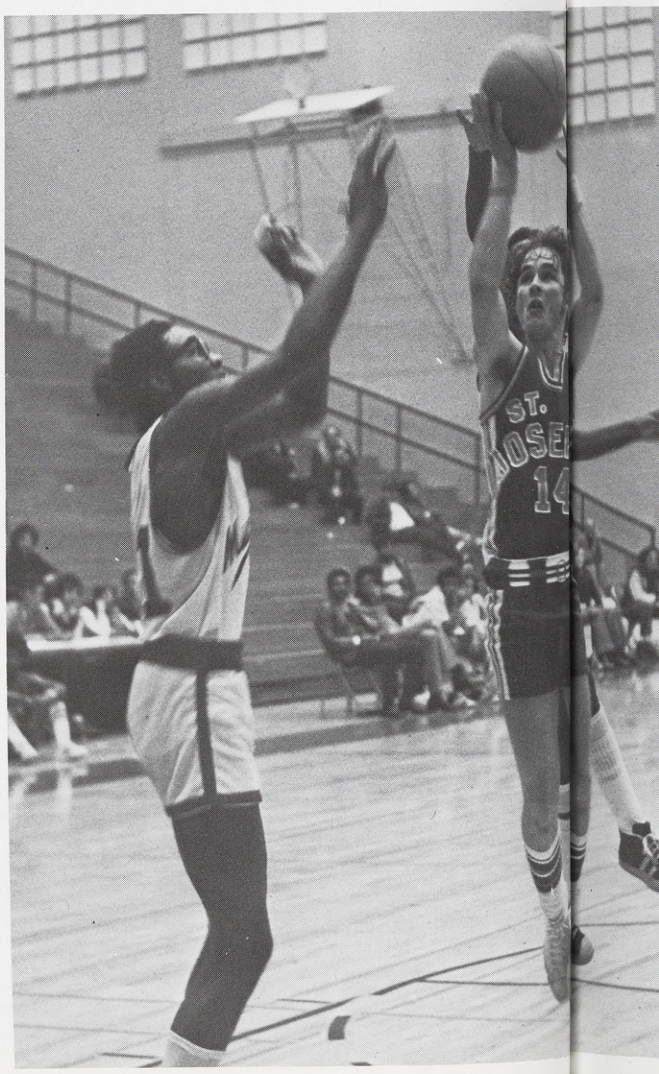
Planning to repeat last year's 3rd place or better in the GCAL Finals, Notre Dame's track team seems to be starting right. The entire team is returning with a few new faces and they seem very confident of many victories. Pacing the team will be Doris Sayon and Elisa Machado, who proved to be valuable to the track team last year.

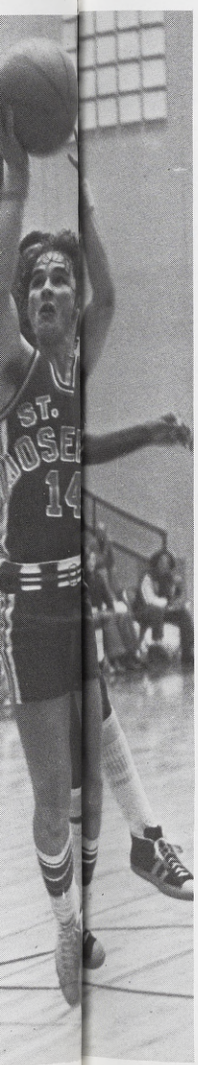
T.O.C.







St. Joseph's Pilots won the round-robin title with a 12-2 record and thus gained the all important point coming into the CAL playoffs. The Pilots showed a very balanced offensive attack. The outside threats were guards Steve Martinez and Jim Eyen. The Pilot frontline, Henderson McDaniel, Jerry Lankford and Vernon Williams, was nothing short of awesome. McDaniels missed four games, but his statistics are amazing. In pre-season, he shot 67% from the floor, but in league play, he improved that figure to 75%. Lamkford went well to the basket and was a very good rebounder. Vernon Williams can do it all. He may be the most under-rated player in the league. He drove very effectively to the bucket and had many key rebounds to his credit.



Varsity Team; Back- Mike Phelps (Coach), Orson Wells, Eddie Lankford, Burnell Roberts, John O'Donnell, Middle - Steve Martinez, Ken Giannotti, Don Johnson, Jim Eyen, Vernon Williams, Leland Thomas (Manager), Front- Jerry Lankford, Tom Kidwell, Manulis Martin, Henderson McDaniel.

Optimistic of a 500 season, the J.V.'s put it together to excell to a pre-season record of 9-5 and continued it on into league with a 10-4 won - loss record, thus finishing in undisputed second place in the C.A.L.

The young Pilots boasted a balanced scoring attack with team members Michael Benson leading the team with a 14.0 point average, playing at forward position. Jeff Duncan at the other end played excellent defense throughout the season. Antony Taylor played well at the post, hitting an average of 7.4 points a game.

Freshmen Tie For First

The Freshmen Basketball team had a very successful season. The team was 21 - 3 overall. In league play, however, they were a remarkable 13 - 1 while capturing the co-championship of the CAL Frosh league. The Pilots' success can be attributed to tough defense, control of the boards, and a tough game under the basket. There were no individual heroes as the Pilots won or lost as a team.

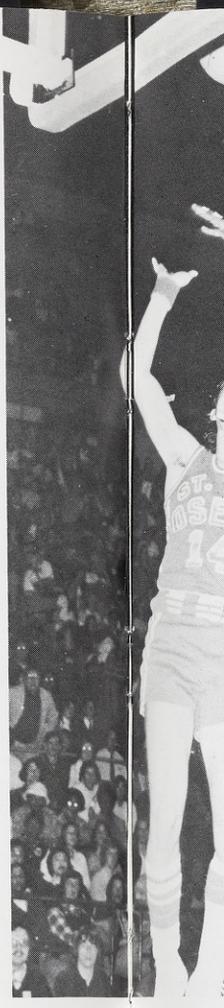
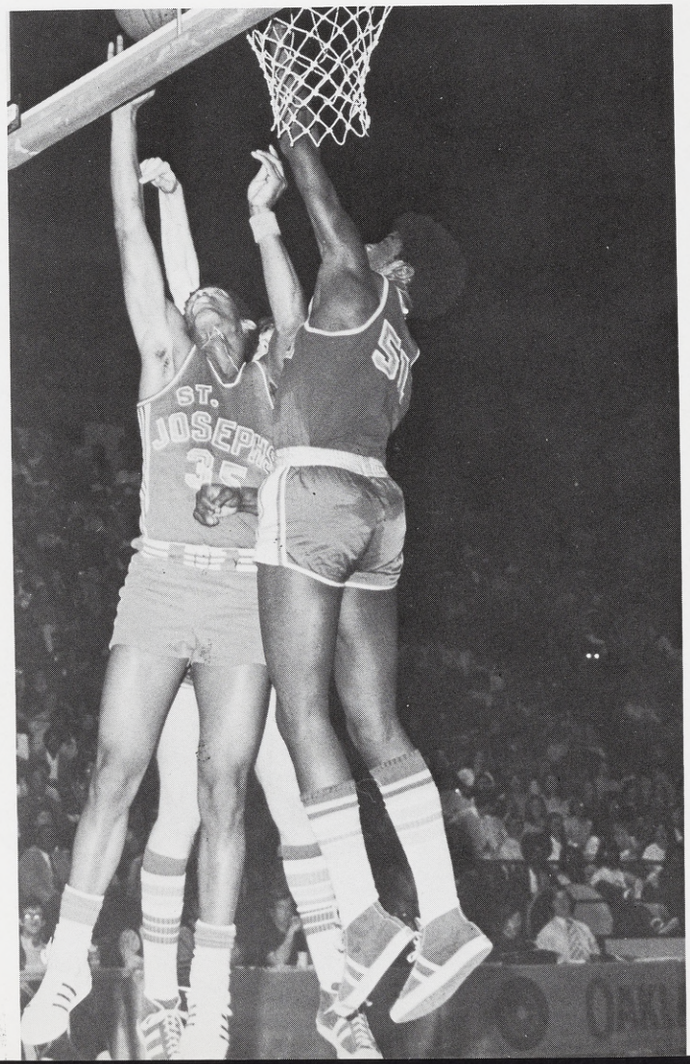
Varsity Captures 2nd in T.O.C.



St. Joseph's found itself one of the smallest teams participating in the T.O.C. But size didn't seem to make much of a difference as the Pilots nabbed the 2nd-place position in the tournament and two honors going to Jerry Lankford and Henderson McDaniels.

"They say the first 100 (games) are the hardest," claimed Coach Phelps in his Tribune interview on Thurs. night, March 7, after his pilots defeated the Hayward Farmers 78-63. Later on he proved his statement by hitting a hard 68-67 win over Berkeley High in the last second of the game, carrying the Pilots into the championship battle. But by this time, the fast-moving St. Joe's team had almost exceeded its limits of physical endurance and though the Pilots pushed hard to the end, a sharp-shooting Tech. team stepped in their way.

On behalf of St. Joseph's, we would like to express our gratitude to all the team members for making us so very proud to be Pilots and to seniors Steve Martinez, Jim Eyen, Manulis Martin and John O'Donnell whom we could not have done without. Finally, and most respectfully, a special thanks to Vernon Williams, our Captain, who showed the true colors of a Pilot's potential.



Four Year Coach Phelps Reaches 100th Win

Top left-Dave Furbush, Bottom left-Dante Sergent, Top right-Tim Tietjen

This year's Golf Team is going through a period of reconstruction, but with the leadership of the 1972 CAL Champion Tim Tietjen and 1973 second place winner Bruce Sergent, and the addition of senior Butch Cosso, Dave Furbush, and Michael O'Connor, they should have a successful season.

Girls Organize Softball Team

The 1973-1974 season marks Notre Dame's first year of competition in softball. Though league games haven't started, coaches Joe Serles and Mrs. Smith state that the team definitely has potential. They say, after many practices that finding strong hitters has been no problem.

Potential members of the softball team: back-- Theresa Hausen, Jackie Broach, Angie Daniels, middle-- Heidi Krause, Lucy Tores, Anne Lyons, Dorothy Jesuitas, Francis Gobson, Dale Spragon, Mrs. Smith (coach), front-- Mary Picinich, Marian Nelson.
